

ENVIRONMENTAL POLICY

Securital Solutions Ltd provides security and security-related services in Malta and is committed to carrying out its activities in a responsible and environmentally conscious manner.

The Company operates an Environmental Management System in accordance with SM EN ISO 14001:2015, with the aim of reducing the environmental impact of its operations while maintaining effective and reliable service delivery.

Our Commitments

Environmental Responsibility

- To consider environmental protection as an integral part of our business activities and decision-making.
- To protect the environment affected by our operations and services.
- To prevent pollution and reduce negative environmental impacts wherever reasonably practicable.

Use of Resources

- To minimize waste generation across all operations.
- To reduce energy consumption and greenhouse gas emissions where feasible.
- To promote responsible use of resources and contribute to the reduction of environmental impact, including climate change impacts.

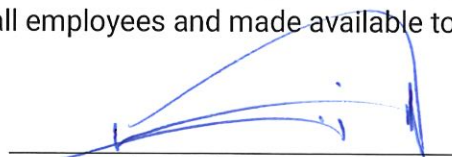

Legal and Other Requirements

- To comply with all applicable environmental legislation, regulations, and other requirements relevant to our activities.

Continual Improvement

- To continuously improve our environmental performance and environmental management practices.
- To raise environmental awareness among employees and promote responsible behaviour in day-to-day activities.

This policy provides the framework for establishing and reviewing environmental objectives and targets. It is communicated to all employees and made available to interested parties.

General Manager
Elton Debattista
