

HEALTH AND SAFETY POLICY

Securital Solutions Ltd provides security and security-related services in Malta and is committed to providing a safe and healthy working environment for all employees and other persons affected by its activities.

The Company operates a Health and Safety Management System in accordance with SM EN ISO 45001:2018, with the objective of preventing work-related injury and ill health and promoting safe working practices across all operations.

Our Commitments

Health and Safety Responsibility

- To prevent injury and ill health through hazard identification, risk assessment, and the implementation of appropriate control measures.
- To establish and periodically review risk assessments for all relevant activities and workplaces.

Resources and Operations

- To provide appropriate training, information, and supervision to ensure awareness of health and safety risks.
- To provide suitable personal protective equipment (PPE) and ensure its correct use.
- To carry out health and safety site assessments prior to deploying employees to new or previously unassessed locations.
- To promote effective communication and cooperation during operations.
- To ensure the safe operation and maintenance of vehicles, equipment, and work tools.
- To report, record, and investigate accidents and near misses and implement actions to prevent recurrence.

Compliance and Improvement

- To comply with applicable occupational health and safety legal and other requirements.
- To continuously improve health and safety performance, culture, and working practices.

This policy provides the framework for setting health and safety objectives and is communicated to employees and relevant interested parties.
