

SECURITY POLICY

Securital Solutions Ltd provides security and security-related services in Malta and is committed to protecting the integrity of its people, information, operations, and assets.

The Company applies a Security Management approach that defines standards and procedures to effectively manage security risks in a consistent, systematic, and appropriate manner.

Our Commitments

Access Control

- To restrict access to company premises and facilities to authorized personnel only.
- To ensure visitors are authorized, registered, supervised, and controlled in restricted areas.

Security Measures

- To implement appropriate security measures to address identified security risks.

Protection of Assets and Equipment

- To safeguard sensitive assets, portable devices, and critical equipment through secure storage, inventory checks, and appropriate security controls.

Recruitment and Personnel Security

- To pre-screen and vet prospective employees in line with legal and operational requirements.

Training and Awareness

- To provide role-relevant security training and conduct drills as needed to ensure readiness.

Incident Management and Improvement

- To maintain procedures for reporting, responding to, and investigating security incidents, and to implement corrective measures for continuous improvement.

This policy provides the framework for managing security risks within Securital Solutions Ltd and is communicated to employees and other relevant interested parties

General Manager
Elton Debattista
